Natural Balance
Complementary Practices

By Car

M5 Junction 3

1. From the Motorway junction exit onto Manor Way signposted to Halesowen [and Kidderminster]
2. Continue along Manor Way until arrival at roundabout which junctions with Grange Road and Grange Hill. Turn left onto Grange Road
3. Continue along Grange Road through traffic lights and then onto Bromsgrove Road [A459] which continues to the roundabout with Mucklow Hill and Dudley.
4. Turn of the roundabout on the 3rd exit which will take you onto and up Mucklow Hill. Approximately halfway up Mucklow Hill you will go over a small roundabout, continue until you reach the second roundabout which junctions with Kent Road and Long Lane. You will also see a Public House called 'The Stag & Three Horseshoes' opposite the roundabout as you approach.
5. Continue over the roundabout onto Halesowen Road [A458] and on for another 600yards where you will find Natural Balance on the right hand side.

From Birmingham City Centre / Fiveways

1. From Fiveways roundabout go south on the Hagley Road [A456] for approximately 4 miles until you reach the large roundabout junction with the Quinton Expressway.
2. The Hagley Road then continues off 3rd roundabout exit and then goes under the M5 motorway to the point in junctions with the Woodbury Road [left].
3. At this point it becomes the Halesowen Road and Natural Balance is located 250yards on the left side.

By Train

The nearest train station to Natural Balance is the one located at Rowley Regis approximately 1.5 miles away. Local taxis are available from the station and is a short 5 minute journey.
